Experience

Qatar University

Peer Tutor and Academic Support

Doha, Qatar
September 2024 – Present

Facilitate learning by tutoring multiple subjects at the Student Learning and Support Centre, Qatar University (part-time).
Tutor:

- Physics 1 (09/2024 - Present)
- Physics for Biology (02/2025 - Present)

Qatar University

Information Technology Services - Student Task Force

Doha, Qatar
August 2025 – Present

- Contribute to the updated ITS website by translating and creating Arabic content, ensuring accuracy and accessibility, and reviewing and testing website features, guides, and resources.
- Assisted student orientation (2025 and 2026) as a liaison between ITS and students, introducing services and providing basic technical support.

Qatar University Young Scientists Center (QUYSC)

Undergraduate Research Mentor, Computer Science

Doha, Qatar
June 2026 – September 2026

- Mentored two pre-university students through an AI research project (SenseBridge), from first AI concepts to training, testing, and improving their own speech-sound recognition model.
- Guided mentees in Google Teachable Machine; adding diverse training data raised accuracy from 60% to 100% across a 90-trial test.
- Used question-based coaching so mentees diagnosed model errors and designed fixes themselves.
- Wrote, designed, and filmed the project's 5-minute Ignite Talk, presenting the research and mentoring journey.

Leadership & Activities

Artificial Intelligence Organisation

Head of Events Management Team

Doha, Qatar
June 2026 – Present

- Lead the events department, overseeing planning and execution of association events end-to-end.
- Direct the event staff/volunteers, assign responsibilities, manage proposals and coordinate logistics, budget, and timelines for major events.

Events Management

June 2025 – June 2026

- Organised, led, and supported AI-focused workshops, competitions, and events, like the AI Week 2025.
- Planned and designed the AI-themed Coding Competition for AI Week 2025.
- Promoted student engagement and awareness of AI-related topics and initiatives taken by the organisation.

ACM - Student Chapter QU

Events and Creative Core Teams

Doha, Qatar
August 2025 – Present

- Organised events and workshops to enhance members' technical skills and knowledge.
- Planned and appeared in promotional materials and videos to increase awareness of the chapter's activities.
- Jointly arranged the Senior Design Project Day 2025-2026 with the College of Engineering, supporting the CSE Department in showcasing students' projects and fostering industry connections.
